Proposal – Sub division to form separate dwelling with own vehicular and Pedestrian access

Location – The Old School House, Lightfoot Lane, Eaton, CW6 9AF

The Parish Council **Supports** the above planning Application for the sub division of the property but has concerns with the proposal for the placement of the new drive, Sapling Lane is very narrow, and the new drive is located close to the junction and the monument.

The Quality of the drawings supplied were poor

Following the recent communications with the Highways Dept. it has been decided that a site meeting should be held with Ian Lovatt in the next two weeks to discuss the fixing of the 30mph sign post and the movement of the current 20mph sign post on the village green. Once the site meeting has occurred and the positioning of signs determined a full meeting with Highways will be undertaken to discuss all the outstanding issues.

There being no further business, the meeting closed at 7.45pm.
