

RUSHTON PARISH ROAD SAFETY WORKING GROUP

**Minutes of Meeting March 6th 7.30pm
Jessie Hughes Committee Room.**

Present Brian Oldham(Chair) Edie Shaw, John Freeman.

Apologies David Lilley, Jade Plumley, Emma Leslie, Julie O'Shea, Paul Healey, Simon Corradine

1. The SPVAS was discussed and the final cost from the last quote stated.

MSID Vario Sign	£ 2000	Without handle(extra £300 with)
with Bluetooth & Data recording.		
Solar panel	699	
89mmx 4metre Pole.FOC		
Delivery	69	
Total	£ 2768	

The previous quote had stated a 76 mm pole but was changed to an 89mm one after a phone call and e-mail with Jill Taylor.

I had asked Jill Taylor about the length of the pole and how far had it to be set in the ground, together with the height of the base of the sign from the ground and was awaiting a reply. We discussed this.

Subsequently I had a telephone call with Jill Taylor and she agreed that 4 metres was too short and a 5 metre one was necessary. This would be supplied FOC.

This information has been passed on to Lindsey Worrall the Parish Clerk and other Parish Councillors.

All that needed to be done to complete this project was to arrange for the pole to be fitted at the Garage. All telephone messages left with Terry Ball by Lindsey and myself and not been returned to date and another fitter may have to be found.

We discussed possibilities

- a. The Garage itself, a possibility
- b. Apex (Emma Leslie) possibility
- c. Layside. Paul Latham Edie Shaw has the contact.

None have yet been approached until we have an answer from Terry Ball.

2. Pot Holes Many reports have gone into Cheshire West and Chester Highways. Lindsey has done stirring work here sending photos as well. Other members of the village and myself have sent them reports. Now some of the potholes have been white marked at the bottom of Lower Lane. This area is very bad and Highways have acknowledged this, but cannot give us a time and when for resurfacing. Eveleigh Moore Dutton has added her voice to this problem, we are very grateful.
3. Royal Lane flooding. The work has been scheduled!
4. Oulton Lane/ Landowner. Edie Shaw is waiting for Highways to meet with him.
5. 20 mph assessment. We should have a definitive reply in April.(Dave Reeves)
6. Brownhills Lane Junction. Repainting the lines have been confirmed. No timescale as yet.
7. The Cross initiative. No detailed reply to date.

There being no further business the meeting was closed.

It is possible that there will be no RSWG meeting held in April unless we get some concrete developments on which to report, or any problem that is brought to our attention.
