

## WOULD YOU LIKE A "BUDDY" IN THESE DIFFICULT TIMES?

Further to the latest Government guidelines, your Parish Council wish to ensure that all members of our community have the opportunity to get help from other members of the community, if possible, during these difficult times caused by the Corona Virus. Members of the Jessie Hughes Committee have added their support to this scheme.

From emails received it appears that we have volunteers who are prepared to give help where necessary and we intend to try and pair up those in need with those prepared to help. Hour by hour we are receiving developments such as a service by Rose farm & Hollies to deliver food (details will be sent out).

### How would it work ?:

1. What help would you like if we can organise it ?:
  - a. A regular phone call to you (3 or 4 calls a week) to see how you are, have a chat and find out if there is anything you need.
  - b. Medication collection either prescription or normal medical supplies
  - c. Food / Supplies: collection from shop.
  - d. Simple repairs like changing a light bulb. (special cases only by other volunteers)

**NOTE:** unfortunately we cannot ask the regular volunteers to enter your house.

**IF YOU NEED HELP WITH REGARDS TO THE ABOVE, CALL ONE OF THE NUMBERS BELOW OR EMAIL.**

2. What help could you offer ?:

Do you feel that you could provide some or all of the above support activities ?
